DETAILED ACTION

Response to Amendment

1. The reply filed on January 8, 2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

It is respectfully submitted that the objection to Figure 1[✓] has not been sufficiently addressed. Specifically, applicant has proposed two lead lines extending from numeral 4 wherein both lead lines extend to the same channel, rather than one lead line extending to each channel.

Regarding the objection to page 7, line 2 from the bottom[✓], the amendment is unclear and it seems that "(2, 2', 5)" should read --(2, 2', 5, 5')-- or the like.

Further, it does not appear that the objections to page 9, line 4 and page 9, lines 27-28 have been addressed.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
